

2017 Calendar

In order to foster and maintain the bond between the Seedsters and their families, The Mustard Seed closes for short periods of time during the year. In our realm of ministry and care-giving, family time is the greatest thing that we can offer the Seedsters. We believe that one of the best ways to prevent The Mustard Seed from falling into “institutionalism” is to help maintain a close companionship and partnership within the families of our clients. As many of you periodically remind us, it is the family-centeredness that sets The Mustard Seed apart from other programs and residences for adults with developmental disabilities!
